Part B. for

SUBJECT.

Travelling Allowance Bill of the Plague clerk of the Kolar District for September 1903 for journey performed to Mysore and the Government decision thereon that the Senior Surgeon is only the Chief adviser to Government in matters connected with Plague and not the Executive Head of the Plague administration.

1. (P&A 517) 938 4 16-10-1903 From The Senior Surgeon & Sanit. Commr. Submits the above Bill amounting to Rs [illegible] and solicits sanction to the allowances claimed for the journey performed beyond jurisdiction and halts made at Kolar Gold Fields for more than 10 days.

2. P & A 740 6-11-1903 To The Senior Surgeon. Returns the bill with the observation that sanction of Government under Article 537 of the Mysore Service Regulations is not necessary as the journey performed by the Plague clerk is within the jurisdiction of his immediate Superior.

3. (P&A 1380) 2686 26-3-1904 From The Senior Surgeon, Forwards for sanction copy of the travelling allowance bill of the Kolar District Plague Office for September 1903 and solicits instructions as to whether the journey performed beyond the jurisdiction of the District does not require sanction of Government i.e., under Article 537 of the Mysore Service Regulations.

4. P & A 2677-8 13-5-1904 To The Senior Surgeon and The Comptr.

Government concur with the Senior Surgeon that the bill requires the sanction of Government under both articles 537 and 552 and not under article 552 alone. Conveys sanction accordingly. Regrets the irregular way in which the bill was dealt with in the Offices of the Senior Surgeon and the Comptroller.

Letter No. 2684 dated the 26th March 1904 from the Senior Surgeon and Sanitary commr. with the Govt. of Mysore stating that the travelling all.ce bill of the plague clerk of the Kolar Dt. for the month of September 1903 amounting to Rs 19-15-8 which was sent to him by Govt. for revision, was by mistake sent to the comptroller who also audited it and passed for payment in the absence of the special sanction of Govt. under art: 537 and 552 of the Mysore Service Regulations and that the comptroller on enquiry states that the bill was audited by an oversight and that the special sanction of Govt. required therefor is only under art: 552 of the said Regulations, which may now be obtained and submitting therefore for the formal sanction of Govt. the duplicate of the bill with the remark that he is of opinion that the bill requires the sanction of Govt. under art: 537 also.

The view taken by the Comptroller that the Senior Surgeon is the Head of the Plague Administration in Mysore and that in consequence his sanction to the bill is quite sufficient under art: 537 of the Mysore Service Regulations does not appear to be correct, ~~in this~~. Under Govt Bo: as observed by the Senior Surgeon. No. 2497-505 dt: 20th August 1902, the Senior Surgeon was ~~since~~ appointed as the Chief Adviser to Govt in matters connected with Plague Preventive Measures but not as the Secretariat Head of the Plague Administration in Mysore. ~~The Chief Establishment which is~~ The ~~bill~~ bill therefore requires the sanction of Govt under both the Articles 537 and 552 of the Regulations, which is accordingly accorded.

2. The irregular way in which the bill under dealt with in the offices of the Senior Surgeon and the Comptroller is regrettable.

by this office without the sanction of Government required under Article 883 of the M&S Bore Service Regulations and to intimate the number and date of Order if Govt. Sanction has been obtained

With reference to the above, have the honor to inform him in reply that the article referred to by him is clear on the point and to state that under the First Sentence of para (1) of the same, the officer in charge of Plague Administration of the Province, is empowered to sanction travelling allowance bills of Plague establishments for journeys performed beyond the limits of a District as is within his jurisdiction.

The bill in question was sent to this office duly countersigned by the Senior Surgeon in token of his having sanctioned the journey for which allowance was claimed therein and as such the bill was passed by this Office and sent to the Deputy Comr., Sholapur District for encashment. No sanction of Government is therefore required in such cases.

Correspondence ending with his A/c 62, Dy. dated 28th January 1904 regarding the Travelling allowance bill of the Kolar District Plague clerk

I enclosing herein a copy of the bill in question, has the honor to observe that the bill contains another item which also required the sanction of Government, viz the halts

Salts musc at Champion Reefs. For more than
days and to request the favor of being informed
whether the sanction of Govt. was not necessary
for the same as per Article 552 of the Mysore
Service Regulation.

2. As regards the journey performed by the Plague
Clerk to Mysore which is beyond the Jurisdiction
of the Deputy Comr Kolar and to which it is stated
that no sanction of Govt. is necessary, the undersign
is still of opinion that sanction of Government
is necessary under Article 584 of the Mysore
Service Regulation and in support of this statement
he would invite the Comptroller's attention to Govt
Rec: No. L. S. & P. 702-3 dated 30th November 1903.
through which Government have accorded their
sanction to the return journey of the clerk from
Mysore under the same Article.

In reply to para 2 of his docket, it is to be stated
that the bill was missent to his office instead
of to Government, and by the time it was recalled
and only the bill was audited in the absence
of proper authority but the receipt of the bill
itself was denied (Vide his docket No Pg. 468 dated
the 30th November 1903). It was only after pointing
out that the receipt of the bill was duly acknowledged

by

by his office a duplicate Copy of it was called for by him on 21st December 1903, while the audited bill was cashed in the Kolar District Treasury on the 20th October 1903 ie two months prior to the date of asking for a copy of it.

Under the foregoing circumstances it is requested that the Comptroller will be so good as to state whether sanction of Government was not necessary if so why the bill was passed without proper authority. An early reply is requested as a reference from Government on the subject is pending unanswered.

It is therefore requested that he will be so good as to obtain formal sanction of Government under article 552 of Mysore Service Regulations and intimate the fact to this office.

As regards para 2 of his docket, it may again be stated that sanction of Government under article 537 of Mysore Service Regulations is not necessary in the case under reference inasmuch as the Senior Surgeon is the head of the Nagar administration in Mysore and as such his countersignature is enough for all such journeys. In the case quoted by him Government sanction was unnecessary but apparently Government sanctioned the journey since it was applied for by the Senior Surgeon.
